Course Provider: _____

Date: _____

BMS Graduation Requirements

The requirements for graduation from BMS are listed below.

1. Attend the lectures and field trips of the following Boulder Group classes:
 - Hiking and Survival Essentials
 - Hiking Navigation and Trip Planning
 - Basic Rock School
 - Basic Snow
 - Intermediate Snow
2. Complete 5 climbs, including at least one multi-pitch rock climb and one high peak climb involving snow climbing where the use of an ice axe is required. The rock climb and high peak climb with snow must be climbs sponsored by the Boulder Group. The other 3 climbs can be any CMC sponsored hike or climb. A BRS graduation climb can be used as one of the 5 climbs. Please note that top-roping trips can be counted as a climb, but not as the required rock climb.
3. Complete one conservation activity approved the Boulder Group.
4. Hold or obtain current First Aid and CPR cards (Red Cross or equivalent).

Graduation certificates are awarded and the graduates honored each fall at the Boulder Group Annual Dinner.

I hereby certify that:

1. I attended all required BMS lectures and field trips.
2. The above trip information is true and accurate.

Signature _____ **Date:** _____

When completed, mail this form to:

Colorado Mountain Club
Attn: BMS Chair
633 South Broadway, Unit N
Boulder, CO 80305
