

CMC CONSERVATION: Stewardship Team Program

2015 SUCCESS STORIES

The CMC State Stewardship Team Program seeks to implement volunteer projects that mobilize outdoor recreationists, create partnerships, and restore our key landscapes through resource development and sharing. The Stewardship Program engages both members and non-members in volunteerism on public lands throughout Colorado and is funded by grants and private donations.

TRAIL MAINTENANCE · TRAIL CONSTRUCTION ·
ALPINE RESTORATION · 14ERS · MAPPING ·
FENCE REMOVAL · WEED PULLS · HABITAT
RESTORATION · TRAILHEAD IMPROVEMENT
RIPARIAN RESTORATION

Partners: Bureau of Land Management, US Forest Service, Volunteers for Outdoor Colorado, ScSeed, Ark Valley Velo, Stay the Trail, Colorado Four Wheelers, Conservation Colorado and many more. *THANKS!*

CMC Contributions:

- **9 volunteer project days** across the state
- **Over 1,000 Service Hours**
